An architectural rendering of a park renovation project. The scene features a large, modern, white, arched pavilion structure supported by thin white columns. Inside the pavilion, there is a stage area with a grand piano, several chairs, and a red backdrop. People are depicted walking and sitting on the grass. The foreground is a lush green lawn with a few children playing. The background shows more trees and a clear blue sky with some clouds. A large blue circle is overlaid on the right side of the image, containing the text "CIVIC CENTER MALL RENOVATION".
